

New England RNA Data - (NERD) Club Annual Symposium

Friday, June 3rd, 2011

10:00am-5:00 pm

New England Biolabs (NEB)

with food and drink the whole day !

Sponsored by:

"RNA Silencing in Animals and Budding Yeast"

David Bartel

Whitehead Institute, MIT, HHMI

" Large-scale Characterization of The Functional Effects of lncRNAs in Mammals "

Mitchell Guttman

Broad Institute, MIT

"Proteins, Parasites and Small RNAs"

Larry McReynolds

RNA Biology, New England Biolabs

"RNAi: Developing a New Therapeutic Platform"

Rachel Meyers

Alnylam Pharmaceuticals

Bus pickup at HMS Vanderbilt hall 10:00 am, whitehead institute 10:20 am

To reserve a seat, please send email to shenghuaduan@gmail.com
