

New England RNA Data - (NERD) Club Monthly Meeting

Thursday, November 17th, 2011

6:00-8:00 pm

Harvard Medical School

Cannon Room, 1st floor, building C of Quadrangle

Sponsored by:

"Conserved Function of LincRNAs in Vertebrate Embryonic Development Despite Rapid Sequence Evolution"

Igor Ulitsky

David Bartel Lab, Whitehead Institute, MIT, HHMI

"Circulating microRNAs, Secreted microRNAs and Exogenous Plant microRNA "

Chen-Yu Zhang

School of Life Science, Nanjing University, China

"An Unexpected tRNA Quality Control Mechanism Mediated by the CCA-adding Enzyme "

Jeremy Wilusz

Phillip A. Sharp Lab, Koch Institute for Integrative Cancer Research, MIT
